

“Student-Friendly” Standards for Fourth Grade

Unit 6 Geometry

Standard	Mastery Level	Mastery Statement
G.1		I can draw geometric figures.
		I can use two-dimensional figures to identify geometric terms.
G.2		I can classify two-dimensional figures based on parallel or perpendicular lines and angle size.
		I can recognize and identify right triangles.
G.3		I can recognize a line of symmetry.
		I can identify a figure with a line of symmetry.
		I can draw a line of symmetry.
