Your child will have a variety of classroom assessments that will aid his or her teacher in knowing how to provide the best possible instruction for your child. Also, these assessments will help you know how well your child is learning and what extra support may be needed. In addition, your child will participate in standardized assessments that are used to gauge how well your child is doing, based upon his or her grade level expectations.

The State of Georgia requires that students in grades 6-8 participate in the annual administration of state assessments. The state assessment is called the Georgia Milestones Assessment System. Students, in grade 6 will take an End of Grade (EOG) assessment as part of the Georgia Milestones. In math and language arts, the EOG will include multiple choice and short answer questions. The language arts EOG has a third section, which focuses on writing.

All students in grades K-9 participate in the universal screening process for reading and math using a digital inventory. Your sixth grader’s proficiency and progress in reading and math will be measured three times a year using the reading inventory and math inventory online.
