**CCSD Special Education Parent Mentors**

IEPs, parent conferences, daily communication – all of these require parents to advocate on behalf of their children. Join us as we discuss how all of us -- as parents -- can “find our voice” and communicate in a positive way to build mutual trust with educators and the school. We will also provide tips on organizing your student’s important paperwork and other relevant information.

**THURSDAY, APRIL 25, 2019**

**9:30 - 11:00 AM @ Hawthorne Center**

**1595 Hawthorne Ave., Smyrna**

Please reserve your spot for the program by calling the Special Education Parent Mentor office at 770-529-0046 or by registering at this link:
