

# Accessing Clever at Home for Students and Teachers

These directions will help students and parents access the student's Clever account from home.

1. Click on the following link to log into **Clever**: <https://clever.com/in/cobb>

2. Select **Log in with Active Directory**.

3. Log in with your **Office 365 username** and **password**.

*Note: Screen may vary based on device type.*

<b>Students</b>	<p><b>Username:</b> Office 365 username                      firstname.lastname or                      firstname.lastname@students.cobbk12.org  <i>Note: If student has a three-digit number in his or her username, it must be entered following the last name. Click <a href="#">here</a> for a video link that shows where to find student Office 365 username and password.</i></p> <p><b>Password:</b> Same password used to log into a school computer</p>
<b>Teachers</b>	<p><b>Username:</b> Office 365 username                      (firstname.lastname@cobbk12.org)</p> <p><b>Password:</b> Same password used to log into a school computer</p>

4. Teachers and students should see their Clever dashboard with all available apps.

*Note: Available apps may vary by both school and teacher.*
